Wichita County, Texas Central Appraisal District Received the Recertification of Excellence in Assessment Administration from the International Association of Assessing Officers

KANSAS CITY, Mo. – The International Association of Assessing Officers (IAAO) is pleased to announce that the Wichita County Central Appraisal District has recertified their Certificate of Excellence in Assessment Administration. Wichita Central Appraisal District first earned the certificate in 2013, and this required recertification is a demonstration of their continued commitment to best practices.

IAAO's Certificate of Excellence in Assessment Administration recognizes governmental units and individuals involved with assessment that integrate best practices in the workplace. This challenging and rigorous program is a self-conducted evaluation of adherence to specific, accepted assessment administration and appraisal standards as defined in the IAAO publication *Assessment Practices: Self-Evaluation Guide*.

This recertification was presented during a ceremony at the IAAO 85th Annual International Conference on Assessment Administration at the Scotiabank Convention Center in Niagara Falls, Ontario, Canada, on September 10, 2019. IAAO's Certificate of Excellence in Assessment Administration is an important recognition of industry professionals who strive to meet the highest standards in their line of work. It was a great honor for IAAO to present the Wichita Central Appraisal District with this recertification during the annual conference.

IAAO is the leading nonprofit, educational and research association for individuals in the assessment profession and others with an interest in property valuation and taxation. IAAO's mission is to promote innovation and excellence in property appraisal, assessment administration and property tax policy through professional development, education, research, and technical assistance. IAAO currently serves over 7,500 members worldwide.
